Technical Information for eLearning

- If using an **iPad** for iReady, the OS must be version 10 or higher. You will need to download and install the free app called I-Ready for Students. Then using Safari go to www.clever.com. When your child logs in they will be taken directly to iReady for their math and/or reading assignment.

- iPhone and iPad minis are not supported.

- The i-Ready app is not accessible on android tablets.

- The best browser to use for iReady is Google Chrome if using a **desktop computer**.
